## Letter from the Producer

Welcome everyone, and thank you for coming to DeBaun Auditorium for our production of *The Drowsy Chaperone*. We all have the one thing we can always escape to. For some of us, it might be reading, watching our favorite movie or TV show, or, if you're like some of us on the stage, listening to your favorite cast recording while closing your eyes and trying to imagine what it would be like if you got the chance to see it in real life. Tonight, we will dive into one man's escape, a 1920s musical, mysteriously titled *The Drowsy Chaperone*.

I would like to thank everyone who has helped make this production a reality. Without the help of the DeBaun PAC staff, Carl Russell and Shawna Hawkins, the Office of Student Life staff, our fearless faculty advisor, Linda Vollkommer, and David Zimmerman, this production would not have been possible. It is the mission of the Stevens Dramatic Society to share our love and passion for theater with our community, and this fine group of people has truly done an exceptional job at making that happen. After countless hours spent rehearsing, designing, producing, publicizing, and putting the final touches on our production, I think it's safe to say that our phenomenal team of actors, professionals, and production crew has created a wonderful demonstration of what theater means to each of us. I hope you enjoy being a part of this production as much as we do. Enjoy the show!

Best Regards,  
Emily Weeks  
Producer

*"Oh! I love it so much. I know it's not a perfect show. The spit take scene is lame, and the monkey motif is labored, but it does what a musical is supposed to do: it takes you to another world, and it gives you a tune to carry with you in your head when you're feeling blue..." – Man in Chair*

as Janet Van De Graaff

Kiera Dillon is a 3/4 Music & Technology Major and CS Minor, and is thrilled to be working alongside such a fun cast and crew for her 13th production at Stevens! Recent roles include Molly in *Peter and the Starcatcher*, Martha in *Spring Awakening*, and Elsa in *The Musical Comedy Murders of 1940*. This semester, Kiera had the opportunity of working the A2 track on the Off-Broadway show, *Gloria: A Life*. She feels truly blessed for the many opportunities she has encountered, and extends endless gratitude to her support system of family and friends that help her to juggle such a full plate. She also thanks her wonderful cast, crew, and creative team for their brilliant creativity and dedicated work on this production. "Enjoy the show!" *Phil 4:13*

**Julia Cahn**

as The Drowsy Chaperone

Julia Cahn is a 4/5 Engineering Management student. She has been involved in many SDS productions, including *Spring Awakening*, *Into the Woods*, *Rumors*, *Avenue Q*, and more, and is glad she finally gets to share her inner diva with the world. She would like to thank everyone in the cast for creating a highly dysfunctional yet lovable family. She would also like to thank Beth Leavel for being an icon. Special thanks to the entire Production Board for their continuous dedication to everything they accomplish. Oh, and thanks to her mom. Finally, dearest audience, her advice to you is: I've while you can!
